Helen Webster
The Band of the Surrey Yeomanry

Dear Helen,

I just wanted to write on behalf of the Dean and Chapter to say a very big thank you both to you and the members of The Band of the Surrey Yeomanry for entertaining us with a lovely performance today.

It was a pity it was a bit cold in the garden but at least the rain held off which was something ! I'm glad your performance warmed up the audience sufficiently!

A great many visitors came into the garden and they seemed to enjoy the repertoire you put on.

Sorry about the sound problems – we had a good PA system in place last week – Kieran raising his voice seemed to rectify the problem at least.

It was a well chosen and varied programme I thought.

I shall send on a cheque shortly towards your expenses.

I hope you have enjoyed playing for us again and that you may wish to come back and play for us again next year.

Thank you so much for taking part !

With kind regards.

Yours sincerely,

Matthew Arnoldi
